

# Alpington with Yelverton Parish Council

## Transparency Code for smaller councils

This Code was introduced by the UK Government in 2015. All councils with an annual turnover below £25,000 are required to make public their financial dealings and governance. These are as follows:

- A. All items of expenditure above £100 (for Alpington with Yelverton Parish Council this is included in the financial section of the minutes of Parish Council Meetings).
- B. End of year accounts.
- C. Annual Governance Statement.
- D. Internal Audit Report.
- E. A list of Councillors and their responsibilities.
- F. Details of public land and building assets (for Alpington with Yelverton Parish Council this is included in the Asset Register).
- G. Minutes, agendas and papers of formal meetings.
